- **Globalaw Foundation**

  The class project of our first GLP Programme created in its first year attracted numerous contributions from worldwide member firms. In each regional meeting, auctions are held, and all proceeds go towards a local charity. Our theme was "Access to Justice" which has allowed the Foundation to donate a year of professional exam fees to underprivileged law students in India and Bogota.

- **Diversity**

  Through the Globalaw Exchange Program, we encourage intercultural exchanges of lawyers throughout the world. The Globalaw Leadership Programme underlines the importance we place on training your lawyers in international settings. Through the **Globalaw Women Lawyers initiative**, we have created a community for female lawyers around the globe to share experiences, network and socialize.
