

## **Globalaw Foundation supports African charities for the first time ever**

**Marrakech, Morocco: 24th March 2023** - The Moroccan charities **A Better Tomorrow** and **Association Morocco Foundation** were honoured to receive a \$6,000 donation by the **Globalaw Foundation** at the Globalaw EMEA Regional Meeting on March 17, 2023. The donation was presented during the Globalaw EMEA Regional Meeting in the prestigious Palace Soleiman in Marrakech, Morocco.

Globalaw Foundation Chair, Marco Bolognini, said: *“We are proud to be supportive of these two charities, which have put education at the heart of their work. This perfectly fits our goals for a better, fairer, more sustainable world. The Globalaw Foundation believes in giving young generations, particularly underprivileged ones in rural areas, sound access to education.”*

Mohamed Bennani from Association Morocco Foundation alongside Redouane Moukkadim from A Better Tomorrow, attended the event at the invite of Globalaw board member Oussama Fraikech and host of the event for Globalaw, an international network of mid-sized law firms. The 2023 gathering had a particular significance as it was the first time it was being held on African soil as the Globalaw network continues its expansion across the African continent.

Mohamed Bennani added: *“We are so grateful for this generation’s contribution. This donation will be used to support doctors to check local populations’ health in remote villages, provide food for people in need, and build premises for schools in remote areas, such as in the area off Azilal, in the mountains not very far from Marrakech.”*
